

Coastal Dance Centre - Summer Program 2023

INTERMEDIATE BALLET INTENSIVE

For ages 11 years and up

Venue: Coastal Dance Centre Studio, 3070 Deville Street, Myrtle Beach, SC

Coastal Dance Centre's **INTERMEDIATE BALLET INTENSIVE** is for students ages **11 years and older / current Ballet Levels 5 and 6**, who have had a minimum of four to five (4–5) years of serious ballet technique training, (*not counting preschool dance*), currently taking dance classes and seriously thriving during the long days in the studio. This intensive is for students who are wanting to immerse themselves in rigorous dance training this summer and demonstrates a high level of achievement, talent, and potential.

Daily classes include Ballet Technique, Pre-Pointe/Pointe, * Variations, and Repertoire. These intensive will be taught by Coastal Dance Centre faculty and guest master teachers.

What is a Variations Class?

The Variations class will focus on the study of solo repertoire from classical ballets. The study of variations is an effective means of linking the vocabulary taught in ballet technique classes to its application in performance. This class provides tremendous valuable experience for students as they learn and practice a professional level solo variation.

What is a Repertoire Class?

Repertoire focuses on learning the skills required to work in an ensemble/group. It provides a tremendously valuable experience for students as they practice and prepare to work on classical and contemporary ensemble repertoire.

*** Pointe**

Please note that even though a new student may be taking pointe at her regular dance school, it is possible that she will not be scheduled for Pointe classes at the CDC Summer Intensive. Pointe work can be harmful if the student has not learned to use the proper leg and foot muscles or does not have proper body placement. The most efficient way for most students to improve their pointe work is to improve their ballet technique first.

These Summer Intensive programs are also a pathway to prepare new students who wish to join the 2023–2024 Coastal Dance Centre's Conservatory Program.

Coastal Dance Centre - Summer Program 2023

COASTAL DANCE CENTRE'S ELITE CONSERVATORY and JUNIOR CONSERVATORY PROGRAM

COASTAL DANCE CENTRE'S ELITE AND JUNIOR CONSERVATORY PROGRAM is for dancers, ages 9–16 years. This program is for students who are highly motivated, passionate, and committed to doing hard work. It is for those who demonstrate a high level of achievement, talent, and potential.

Acceptance to the Elite Conservatory and Junior Conservatory Program is by invitation only. We are highly selective and would only want to invest our time and effort to work with dancers who are willing to do the required training, the required attendance, and who will commit to train consistently and be supported one hundred per cent by their parents and family members.

The 2023 Summer Dance Training is an audition leading to the membership of the year-round program.

Dancers who are in the Elite and Junior Conservatory Program automatically become members of Coastal Dance Centre's performing company, the Coastal Youth Ballet Theatre.

Elite and Junior Conservatory dancers are expected to be committed to training and competing at a level of excellence. Elite and Junior Conservatory dancers must first be an ensemble member.

At the Artistic Directors' discretion, those who want to have a one-on-one learning and growing experience with the teacher/coach may be given the opportunity to learn and prepare a classical and contemporary solo variation for competitions such as the Youth America Grand Prix.

Elite and Junior Conservatory dancers are required to sign a contract that confirms their commitment to both the fees and training required to perform at an elite level.

(Cont'd on next page)

Coastal Dance Centre - Summer Program 2023

COASTAL DANCE CENTRE'S ELITE CONSERVATORY and JUNIOR CONSERVATORY PROGRAM

Elite and Junior Conservatory dancers are dedicated via the contract to exclusive training at Coastal Dance Centre.

Elite and Junior Conservatory dancers train for more hours than others at the dance school, taking both mandatory technique classes in several disciplines such as ballet, jazz, tap, acrobatics, and contemporary/lyrical. On top of this, they attend ensemble rehearsals that are necessary to learn and rehearse for the performing company's performances and the dance competitions.

During the year, they will attend several competitions and may travel regionally (and nationally, if they qualify).

To ensure commitment and focus to the dance program, Elite and Junior Conservatory dancers are expected to not commit to outside sports and other extracurricular activities.

There are higher expectations for the Elite and Junior Conservatory dancers since they are representative of the quality of training at Coastal Dance Centre and as such, they help enhance the reputation of the school.
